**e-ISBN:** 9788770222327

**Price:** \$ 58.95

**Distributed exclusively by Routledge**

### **Description:**

In the current climate of terrorism, the facility manager is in a more critical position than ever before. Protecting the organization's building and its occupants from chemical, biological, and radiological (CBR) attacks that are designed to disrupt and/or destroy business operation is becoming an increasingly important priority for facility managers using practice management.
